ANNUAL REPOT 2024-2025

Tejasvinavaditamastu

“Education is not the filling of a pail, but the lighting of a fire”

Academic Excellence

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

Academics play a crucial role in society by advancing knowledge, fostering critical thinking, and preparing individuals for various careers.

Our teachers are working hard to give the excellence education to our students. We conduct regular tests, examinations and also Olympiad exams to measure the academic standard of the children as academics is very important to compete in this competitive world where they have to excel themselves. PTA meetings were arranged periodically to inform the parents about their child's performance we cherish and thank all the parents for their cooperation and their constructive suggestion in our effort of imparting quality education.

Co-curricular Achievements

Education is not just about textbooks, and our school has always emphasized the importance of holistic development. This year, our students have participated and excelled in various co-curricular activities, including sports, arts, music, drama, dance, and quiz. Students of grade 7 to 9 participated in inter school competition conducted by Prajavani publication and feel proud to announce that Shreya Chandur and Anushka Mane grade 8 won third place cash prize of Rs 2000/-. Our sports teams have won numerous inter-school tournaments, I feel proud to share that our student Ranveer Khilari from grade 5 is selected for national level in shooting, Adarsh Danigound from grade 7 and Janice from grade 6 are selected for state level in Karate Our students even participated in prathibha karanji and won many prizes .We are proud of you children. Keep it up!!The cultural performances today will showcase the talent and creativity of our students.

Infrastructure and Facilities

We continue to invest in the development of our infrastructure to provide a supportive learning environment. This year, we have upgraded our classrooms with the latest technology i.e smart board, making learning more interactive and engaging. Our composite science lab,

Maths lab and computer lab have been upgraded, and a new library space has been created to provide students with a comfortable area to explore new ideas. Additionally, our sports facilities have been expanded with indoor and outdoor activities and to ensure that our students have the resources they need to stay active and healthy. Safety compound is constructed around our school campus.

The present state of our school infrastructure is nothing short of a dream come true.

And surely the credit goes to our Management members, Chairman Shri Shrikant Patilji, Secretary Shri Rajpuroithji, Treasurer Shri N S Kulkarniji and our hardworking, dedicated mentor that is our Governing council Shri R B Guttalji whose energy and determination is appreciable. Thank you for making this dream a reality and creating an inspiring atmosphere for all us.

Teachers' Development

Our teaching staff is the backbone of our school. Their tireless efforts to ensure that our students receive the best education possible are truly commendable. We have organized several professional development programs to help our teachers stay updated with the latest teaching methodologies and educational trends. We also thank our management who is taking lots of effort to upgrade our teachers by conducting orientation programs to our teachers every week.

The teachers' enthusiasm and commitment have been instrumental in shaping the bright futures of our students.

Challenges and Future Goals

While we have achieved much, there are still areas that need improvement. One of our main goals for the upcoming year is to continue enhancing the digital learning experience for our students. We plan to integrate more e-learning tools and resources into our curriculum. We also aim to increase student participation in national competitions and exchange programs to further broaden their horizons.

In addition, we will focus on mental health and well-being, ensuring that our students have access to the support they need to navigate the pressures of academics and personal life.

In conclusion, I would like to thank our esteemed management, our dedicated teachers, supportive parents, and most importantly, our students for their hard work, passion, and commitment. Today's event is a celebration of their achievements, and I am confident that with continued support and collaboration, we will achieve even greater success in the years to come.

Once again, thank you all for being a part of this wonderful occasion. Let's look forward to another year of excellence, growth, and success.

Thank you.
